PART-TIME EDUCATION PROGRAM

Online Learning • Hybrid Learning

AL NETPREP Academy our Part-Time Education Program Online and Hybrid Learning allows our students to fit their learning around their busy schedule. Also, the convenience of making learning business more accessible from anywhere worldwide. You don't have to go to the classroom, the class room can come to you! We have no borders. You can attend our classes in-person hybrid or learn online from anywhere across the country or even across the globe as our classes are live as well as recorded and available for you with the click of a button.

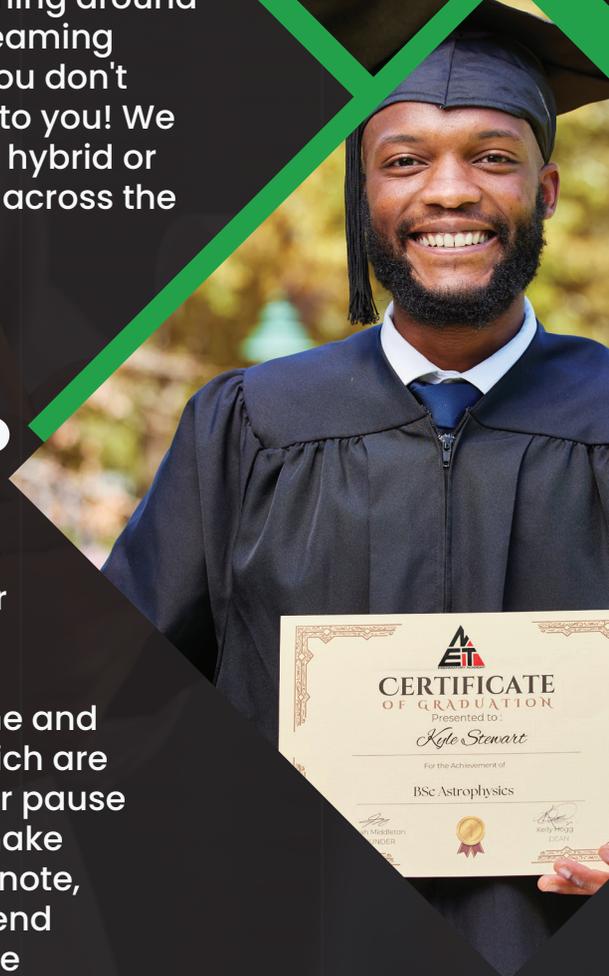

Online learning is the fastest-growing market in the education industry- it has grown 900% since its creation in 2000-devlinpeck.com

LIVE CLASSES

Our Part-Time Education Program Online Learning is great for students with a full-time job or family or other obligations that must be met. As long as you meet your deadlines and other requirements.

such as participation, assignments and testing, the time and location for study is up to you. With our live classes, which are recorded you can watch lectures online, and rewatch or pause them if necessary. We're here to provide options and make learning business less challenging for you! On another note, if you're a local student, you can have the option to attend in-person classes in care of our hybrid learning and take advantage of our part-time student status.
