PRO ATHLETE BUSINESS EMPOWERMENT PROGRAM

At NETPREP Academy our Pro Athlete Business Empowerment Program is for our Pro Athletes who have just acquired a position or potential position in a top professional league. Athletes will be able to gain knowledge and understanding in multiple aspects of business including entrepreneurship, finance, investing, and much more. We can help athletes learn around their busy schedule. This allows you to concentrate on your professional playing career, family, or personal hobbies all while gaining unbelievable wisdom. Get ready to begin a journey that will help you start, expand, or grow your business and make the right 'money moves' to help you acquire passive income.

You can attend our classes in-person hybrid bootcamps and workshops or learn online from anywhere across the country or even across the globe as our classes are live as well as recorded and available for you with the click of a button.
